

Wye Sewer Hook-up Information

General Wye Sewer hook-up information, taken directly from Resolution 8489, Section 2. Provisions of the Interlocal Agreement, is featured below. To receive details specific to individual properties, please contact the project's WGM Representative or the Missoula County Representative using the contact information listed below.

Excerpt from Resolution 8489, Section 2. Provisions of the Interlocal Agreement

... “ Under the terms of the Interlocal Agreement, in order to receive sewer service from the City, a property owner will have to pay a Sewer Development Fee to the City and enter into a contract for sewer services that will be recorded against the property, and pay a \$25.00 contract fee and the cost of such recording. If paid within two years of the availability of the public sewer, such fee will be in accordance with Ordinance Number 3329, Section 1, 13.08.080 Sewer Development Fee. Under the contract for sewer services, the property owner will:

- (a) agree to the number of connections authorized per parcel;
- (b) pay to the City uniform charges, rates, and fees applicable to City of Missoula residents; and
- (c) petition to be annexed in the City and waive any right to protest annexation.
